Aaron dropped off 800 at the office and kept 200. Ben will coordinate distributing them. Cindy will take 20 to see if the two fishing shops in town would want them. We need to find out if we have to charge tax. Kelly will call to find out and let us know.

Signing of compliance forms

New Business

Fall September Fest

Started planning and discussing ideas.

We want to repeat:

Music-Sextons suggested a band named On the Roll, Ken will ask about the race again but there are two other big races that same day, Food: Ken S. will ask Ken B. about the concession - If it will be closed by Labor Day we can probably sell food. It will have to be coordinated. We may not want to do it in the concession stand. Kids games - maybe not games but a race or something that might draw kids. Will have to think about that. Kayaks were a hit last time. Maybe we could do a kayak race? Pontoon boat trips. Cindy will contact TU to see if they would want to come and do fly fishing and fly tying. Maybe we could do a fishing contest for kids, 13 and under?

We should have a flier to say "Save the Date", etc. The flier could be used at the June 27 Tourist Bureau dinner and to put with the packs of maps.

Report from Maria - She is doing a video for the WPSU "Our Town" production about YC. She has taken a lot of video already around the park and did a short interview of Ken S. after the meeting about FOYC.
